From the Vice-Governor

I would like to thank all of you for being so supportive over the past two years. Thanks for giving me the chance to lead and represent you as Vice-Governor of the National Association of Negro Business and Professional Women's Clubs Inc., the Northeast

District. For this honor I am very grateful. No one who achieves success does so without acknowledging the help of others. I have enjoyed every minute of my term and I loved meeting each and every one of you at the District meetings. Each and every one of you plays an important role in our organization. With your support we have had a two very successful years. I would like to thank the Governor and the Northeast District Executive Committee who did so much work behind the scenes to keep our organization alive and fiscally sound. We had a truly dedicated group. The educational programs have been intellectually stimulating and the networking among members has been invaluable. The spotlight on "Black Business" was a lot of fun for me. The Business owners were so excited to have a chance to showcase their products.

As I approach the end of my term, I would like to leave you with the challenge to become mentors for a potential new member. During my term I expressed the importance of mentorship. Without my mentors along the way, I would not have grown professionally or in the organization. My mentors stayed with me and pushed me forward in the organization as well as my career. Pick someone this week to mentor. When you have picked someone to mentor, dedicate one year of propelling him or her forward in the organization.

Babe Ruth once said, "The way a team plays as a whole determines its success. You may have the greatest bunch of individual stars in the world, but if they don't play together, the club won't be worth a dime." Teamwork is the key to success in any organization.

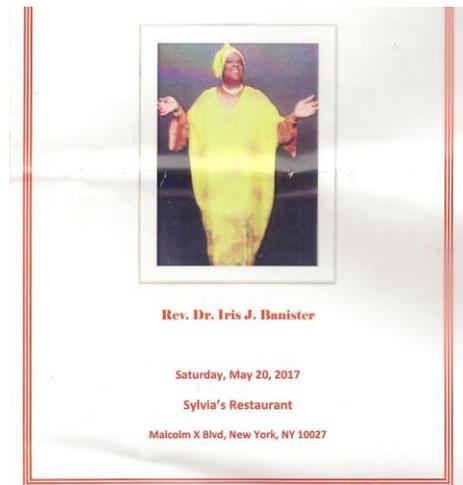

Let's all pledge to work together as members of the Northeast District team to move our organization forward. Remember "Each One Teach One." If each one of us involved today would reach out and teach one and

mentor one we can achieve much. Let the circle be unbroken, catch the mentorship ball and pass the good news of mentorship to someone you can mentor over the next year.

Again, I want to thank you all for the honor of serving as Vice-Governor.

Vickie Powell
Vice-Governor, Northeast District

Northeast District Farewell Celebration for the Governor at Sylvia's Party Room in Harlem

Vice-Governor, Vickie Powell, and Event Planner, Eve-Lyn Mallette, welcomed nearly 100 NED Sisters to Sylvia's Party Room in Harlem. At a farewell celebration for the Northeast District's 16th Governor, Rev. Dr. Iris J. Banister, accompanied by her beautiful family, we shared: a sumptuous soul food buffet, Eunice Newkirk's Jazz Interlude, mementos, gifts, tributes and many loving accolades.
